Address: _____

Phone: _____

- ☐ Please check if any of the above information has changed since previous year.

II. MINING AND RECLAMATION

1. Was the mine active during the past year? Yes ☒ No ☐

2. If active, how much ore or mineral was mined? 1 ON STATE LAND
Production Report

3. How much new or additional acreage was affected during past year? NONE

4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

As was reported last year we
simply finished work on our 1990
project and started back filling

5. How much acreage was reclaimed during past year? Approx. 1/2 of 1990
QUARRY

6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.

MATERIAL from our QUARRY farthest North & East
was destroyed by oxidation and we have back filled
the North 1/2 of the QUARRY. Spring should see
the completion of the BACK filling & contouring

7. What is the total disturbed acreage at years end? 1/16 of AN ACRE
8. Briefly summarize mining and reclamation planned for the upcoming year.
We hope to open the North West corner
of our quarry. APPROX. 50'x100'
- _____
- _____

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. ADDITIONAL INFORMATION

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

IV. SIGNATURE REQUIREMENT

I hereby certify that the foregoing is true and correct.

Name (Typed or Print): _____

Title of Operator: _____

Signature of Operator: _____
